Dear Colleagues & Friends:

Re: Healing Conference 2019 – Letter to Overseas Participants

The Annual Healing Conference has been scheduled for the weekend of May 24-26, 2019 at Holiday Inn Resort, Montego Bay, Jamaica. It opens on Friday Evening and ends after lunch on Sunday afternoon. This means that overseas visitors would normally be expected to spend three nights at the hotel. Montego Bay Airport is the recommended arrival and departure point.

The hotel accommodation and conference fees are set out below:-

Single Occupancy for 2 nights	US\$450
Double Occupancy for 2 nights	US\$350
Triple Occupancy for 2 nights	US\$300

An additional night would cost a further US\$171 for the single occupant, US\$104 for double and \$95 triple occupant.

The Conference Planners have reserved the rooms it will need, so please register directly with us. If you are bringing a group, kindly indicate the number of rooms you may require (single, double or triple) and provide us with the names and email addresses of those who will share each room. Information about any special needs would also be most helpful (e.g. dietary needs, wheelchair accessibility, floor preference etc.) Contact Sister Fiona Simpson at meadowbrookmerrivale@yahoo.com to register and to obtain any further information.

We have already decided on our theme, "COME AND ENCOUNTER THE HEALING CHRIST." Further details about the Conference, speakers etc., will be sent to you early in the New Year. We are open now for registration so please let us hear from you early

Yours sincerely,

+.....
Rt. Revd. Harold B. Daniel
